

School of Medical Laboratory Science

Ascension St. Vincent's Riverside

Laboratory

1 Shircliff Way

Jacksonville, FL 32204

Information and Application Fact Sheet for Classes Beginning in 2021

Ascension St. Vincent's operates three hospitals, outreach programs, and a number of primary care facilities in Northeast Florida. Our NAACLS accredited program is based at the Ascension St. Vincent's – Riverside campus, a 528-bed hospital founded in 1916 and located on the banks of the St. John's River in the historic Riverside district south of downtown Jacksonville. Our program accepts two classes of students per year, one beginning in January and the other in late June, with a maximum of 5 students per class.

Our Mission

To witness to the healing ministry of Christ by providing a quality educational program in an atmosphere that fosters respect and compassion.

Service of the Poor	Core Values	Integrity
Wisdom	Reverence	Dedication
	Creativity
